

Introducing!

duoframe

Modern Versatility. Timeless Style.

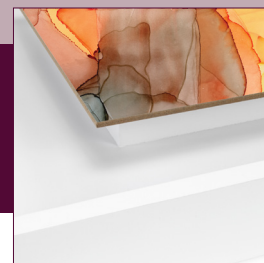

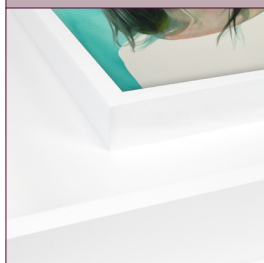

Modern Versatility

- Display two ways: window or float mount
- Frame different sizes of artwork with the same frame
- Frame artwork up to 1/4" flat or up to 7/8" cradled
- Perfect for framing 3 dimensional and fiber art

Timeless Style

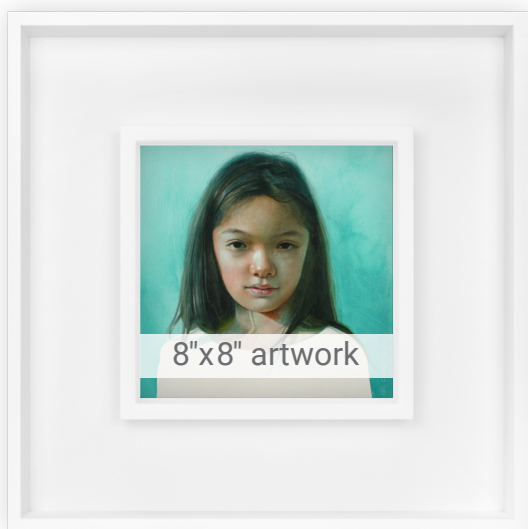

- The only ready-made, St. Ives style frame in the market
- Creates depth and maximizes small artwork
- Quality, solid wood construction

How to choose a Duoframe:

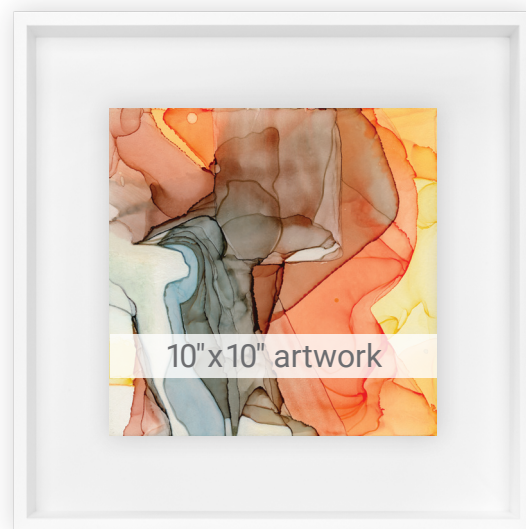

Window Mount: Use a frame the same size as the artwork.

Float Mount: Refer to chart for maximum standard sizes.
